- Cartridge-free solid ink
- Color: up to 30 ppm
- Black: up to 30 ppm
- Max. paper capacity: 1,675

Phaser 8860 Print

- Cartridge-free solid ink
- Color: up to 30 ppm
- Black: up to 30 ppm
- Max. paper capacity: 1,675

Phaser 6360 Print

- Color: up to 42 ppm
- Black: up to 42 ppm
- Max. paper capacity: 2,350

Multifunctions

Letter / Legal

Phaser 6115MFP Print, Copy, Scan, Fax

- Color: up to 5 ppm
- Black: up to 20 ppm
- Max. paper capacity: 700

Phaser 6180MFP Print, Copy, Scan, Fax

- Color: up to 20 ppm
- Black: up to 31 ppm
- Max. paper capacity: 950

Phaser 8560MFP Print, Copy, Scan, Fax

- Cartridge-free solid ink
- Color: up to 30 ppm
- Black: up to 30 ppm
- Max. paper capacity: 1,675

Phaser 8860MFP Print, Copy, Scan, Fax

- Cartridge-free solid ink
- Color: up to 30 ppm
- Black: up to 30 ppm
- Max. paper capacity: 1,675

Printers

Tabloid

Phaser 7400 Print

- Color: up to 36 ppm
- Black: up to 40 ppm
- Max. paper capacity: 3,000
- Advanced finishing options

Phaser 7760 Print

- Color: up to 35 ppm
- Black: up to 45 ppm
- Max. paper capacity: 3,150
- Advanced finishing options
- Advanced color management

Multifunctions

Tabloid

WorkCentre 7232 / 7242

- Print, Copy, Scan,
Email, Fax
- Color: up to 10 ppm
 - Black: up to 32 / 40 ppm
 - Max. paper capacity: 4,720
 - Finishing options

WorkCentre 7328 / 7335 / 7345 / 7346

- Print, Copy, Scan, Email, Fax
- Color: up to 26 / 31 / 35 / 40 ppm
 - Black: up to 28 / 35 / 45 / 45 ppm
 - Max. paper capacity: 3,140
 - Advanced finishing options
 - Advanced color management through EFI controller option

WorkCentre 7655 / 7665 / 7675

- Print, Copy, Scan,
Email, Fax
- Color: up to 40 / 50 ppm
 - Black: up to 55 / 65 / 75 ppm
 - Max. paper capacity: 5,260
 - Advanced finishing options

Print, Copy, Scan
- Speed: up to 95 ppm
 - Max. paper capacity: 8,300
 - Advanced finishing options

An office product to meet every need.

There's a job waiting to get done. A routine print job. A walk-up copy of a single page. A critical hundred-page report that needs to be printed in full color, faxed, or scanned and emailed halfway around the world. Or one of the countless jobs that fall somewhere in between. Whatever the task, Xerox has the widest range of office printers and multifunction systems to help you get it done. All with more speed, reliability and value than you ever thought possible.

Software that makes you more productive.

Along with next-generation products and systems, we're continually adding to our growing portfolio of software solutions and options. Our CentreWare® software provides a suite of applications that help you install, maintain and manage your office technology. Optional SMart eSolutions software automates your meter read and supplies replenishment tasks. SMARTsend®, ScanFlowStore™ and SMARTdocument Travel™ applications all work to make digital transformation and distribution of hardcopy documents streamlined and simple. Plus our Scan to PC Desktop™ software, including OmniPage and PaperPort, simplifies document management and repurposing, providing full PDF workflow capabilities. Need help managing and tracking print, copy, fax and scan output? Applications from Equitrac and Print Audit (among others) help you to maintain visibility and control of your fleet. And Xerox DocuShare® Document Repository software further extends your ability to capture and share knowledge on a global basis.

Unrivaled service and support.

Behind every Xerox product is a large network of customer support that's unrivaled in the industry and available when you need it. Xerox service professionals use leading-edge technologies to keep you up and running. They're even linked to the engineers who designed your product, so you can be confident when you choose Xerox. And genuine Xerox office paper and supplies ensure peak performance and are always easily available.

Document security means peace of mind.

Xerox has taken the lead in creating innovative new features that safeguard your sensitive data. For example, our exclusive Image Overwrite Security option clears all images from your system's disk drives so your data is protected. And many of our networked products offer an optional card-based log-in for network access to functions such as scanning and email to prevent unauthorized use. Plus, secure print and fax features guarantee your information remains confidential. Xerox offers the broadest array of multifunction products that have earned the NIAP Common Criteria Certification (the international standard for information security), ensuring they meet customers' strictest security requirements.

Designed to be kind to our planet.

Xerox products conserve natural resources through designs that minimize waste during manufacturing and use, maximize energy efficiency in your office, and work reliably with Xerox recycled paper. Our Green World Alliance program encourages recycling of Xerox-brand used supplies. For more information, please visit www.xerox.com/environment.html.

Total satisfaction guaranteed.

The exclusive Xerox Total Satisfaction Guarantee, recognized as unique in the industry, covers every Xerox Phaser®, FaxCentre®, DocuColor®, CopyCentre® and WorkCentre® which has been continuously maintained by Xerox or its authorized representatives under a Xerox warranty or Xerox Maintenance/Service Agreement. You decide when you're satisfied.

Adaptable to fit the way you work.

Because our WorkCentre® systems feature a flexible, open architecture, every device is a "solutions platform" that enables easy integration with leading third-party software. These applications can be personalized to meet your business needs and to make your devices easier to use. We call this Xerox Extensible Interface Platform (EIP). In fact, Xerox has partnered with leading software developers who create solutions that extend the power and value of your Xerox system. This allows us to bring you the best software solutions available.

EIP compatible products include WorkCentre 5632 / 5638 / 5645 / 5655, WorkCentre 5665 / 5675 / 5687, WorkCentre 7328 / 7335 / 7345 / 7346, WorkCentre 7655 / 7665 / 7675. Check www.xerox.com/eipinfo for the latest list of EIP compatible products.

Xerox Office Services.

When it comes to managing your business documents, Xerox offers a comprehensive set of services that no other company can match. With a powerful set of office technologies, processes and tools specifically designed for your business, you'll see measurable results that can make a real impact on your bottom line, including reduced costs and higher productivity. From Assessment Services, Asset Management, Imaging and Output Management to comprehensive Support Services, we can bring the knowledge and experience of Xerox people world-wide to your office—whatever your size or needs.

Superior technology.

The National Medal of Technology recognizes America's leading technological innovators. It makes perfect sense, then, that Xerox received the award in 2007. After all, our strong commitment to innovation helps us continuously develop advanced technologies that give every one of our products cutting-edge excellence.
